A video of a team of doctors soundly telling off a traffic constable in Hyderabad for not giving way to ambulances has gone viral on social media.

Two ambulances carrying critical patients got held up in traffic near the Masab Tank area of Hyderabad on Saturday.

The traffic police stopped the traffic to provide a free run for the Director General of Police (DGP) and State Home Minister, Mohammed Mahmood Ali. They were headed to participate in the inauguration of the new building of Chandrayangutta police station.

The medicos ferrying the patients reprimanded the traffic cop and asked him to clear the way for the ambulance.
